

ARCHBISHOP VIGANO'S STARTLING WARNING TO THE AMERICAN PEOPLE

The following is a Christmas address to the United States by Archbishop Carlo Maria Viganò, considered a maverick in the Catholic hierarchy. He was Papal Nuncio to the U.S. White House in 2016. It came to my attention from its inclusion in American Thinker on Monday, 12/20/2021, under the title "Archbishop Viganò's startling warning to the American people", posted by Thomas Lifson.

Unfortunately I had to edit it somewhat, so that it would fit our commentary space. If you would like, please find the link at LucerneValleyMarket.com.

DEAR AMERICAN PEOPLE, DEAR FRIENDS,

For two years now, a global coup has been carried out all over the world, planned for some time by an elite group of conspirators enslaved to the interests of international high finance. This coup was made possible by an emergency pandemic that is based on the premise of a virus that has a mortality rate almost analogous to that of any other seasonal flu virus, on the delegitimization and prohibition of effective treatments, and on the distribution of an experimental gene serum which is obviously ineffective, and which also clearly carries with it the danger of serious and even lethal side effects. We all know how much the mainstream media has contributed to supporting . . . the goals of these groups of power: reducing the world population, making those who survive chronically ill, and imposing forms of control that violate the fundamental rights and natural liberties of citizens . . . Today more and more people are opening their eyes and beginning to understand that the emergency pandemic and the "ecological emergency" are part of a criminal plan hatched by the World Economic Forum, the UN, the WHO, and a galaxy of organizations and foundations that are ideologically characterized as clearly anti-human and – this needs to be said clearly – anti-Christian.

One of the elements that unequivocally confirms the criminal nature of the Great Reset is the perfect synchrony with which all the different Nations are acting, demonstrating the existence of a single script under a single direction. And it is disconcerting to see how the lack of treatment, the deliberately wrong treatments that have been given in order to cause more deaths, the decision to impose lock downs and masks, the conspiratorial silence about the adverse effects of the so-called "vaccines" that are in fact gene serums, and the continuous repetition of culpable

errors have all been possible thanks to the complicity of those who govern and the institutions. Political and religious leaders, representatives of the people, scientists and doctors, journalists and those who work in the media have literally betrayed their people, their laws, their Constitutions, and the most basic ethical principles. The electoral fraud of the 2020 presidential election against President Trump . . . [made it] necessary to be able to make use of an American President who would support the psycho-pandemic and support its narrative. The Democratic Party, part of the deep state, is carrying out its task as the accomplice of the system, . . . How was it possible to arrive at such a betrayal? How have we come to be considered enemies by those who govern us, not in support of the common good, but rather to feed a hellish machine of death and slavery? The answer is now clear: throughout the world, in the name of a perverted concept of freedom, we have progressively erased God from society and laws. . . we have allowed the Law of God and the law of nature to be violated, legitimizing the killing of children in the womb, even up to the very moment of birth; the killing of the sick and the elderly in hospital wards; the destruction of the natural family and of Marriage; we have recognized rights to vice and sin, putting the deviations of individuals before the good of society. In short, we have subverted the entire moral order

that constitutes the indispensable basis of the laws and social life of a people. . . Christianity is the strongest defense against injustice, the strongest garrison against the oppression of the powerful over the weak, the violent over the peaceful, and the wicked over the good, because Christian morality makes each of us accountable to God and our neighbor for our actions, both as citizens and as rulers. The Son of God, whose Birth we will celebrate in a few days, became Incarnate in time and in history in order to heal an ancient wound, and to restore by Grace the order broken by disobedience. . . The infernal challenge of the Enemy [Satan] is repeated over the centuries unchanged, but it is doomed to inexorable failure. Behind this millennial conspiracy, the adversary is always the same, and the only thing that changes are the particular individuals who cooperate with him.

Dear American brothers and sisters! Dear Patriots! this is a crucial moment for the future of the United States of America and of the whole of humanity. But the pandemic emergency, the farce of global warming and the green economy, and the economic crisis deliberately induced by the Great Reset with the complicity of the deep state, are all only the consequence of a much more serious problem. . . We must put God

back in the first place not only in our personal lives, but also in the life of our society. We must restore to Our Lord Jesus Christ the Crown that the Revolution has torn from Him, and in order for this to happen a true and profound conversion of individuals and of society is necessary. . .

You are animated by a yearning for justice, and this is a legitimate and good desire. "Blessed are those who hunger and thirst for righteousness," says the Lord (Mt 5:6). But this Justice must be based on the awareness that this is a spiritual battle in which it is necessary to take sides without equivocation and without compromise . . .

My appeal for an Anti-Globalist Alliance – which I renew today – aims precisely to constitute a movement of moral and spiritual rebirth which will inspire the civil, social and political action of those who do not want to be enslaved as slaves to the New World Order . . . Because in the awareness of who our adversary is [Satan] and what his aims and purposes are, we can disrupt the criminal action he intends to pursue and force him to retreat. In this, the opposition to the pandemic farce and the vaccination obligation must be determined and courageous on the part of each of you.

Yours must therefore be a work of truth, bringing to light the lies and deceptions of the New World Order . . . [You] must coordinate and organize together to make a firm but peaceful resistance, so as not to legitimize its violent repression by those who today hold power.

Be proud of your identity as American patriots and of the Faith that must animate your life . . . Do not be intimidated or seduced by those who propagate a dystopian world in which a faceless power imposes on you contempt for the Law of God, presents sin and vice as licit and desirable, despises righteousness and Morality, destroys the natural family and promotes the worst perversions, plans the death of defenseless and weak creatures, and exploits humanity for its own profit or to preserve power. . .

. . . today your commitment to the moral rebirth of the United States of America –one Nation under God – will have the blessing of Our Lord and will gather those who govern you around you. Amen.

May God bless you, and may God bless the United States of America.

SNOW INFO
How about a website for everything snow-related — Supervisor Paul Cook's newsletter reports that San Bernardino County Public Works has created one, including weather conditions, road closures, maps, links, and more at <https://snowinfo.sbcounty.gov/>.

When visiting the mountains remember to be prepared, check weather and road conditions, bring chains, pack a blanket and emergency supply kit before you leave. Remember "No snow play on the roadway." That's for all winter. A ticket for illegal roadside parking will certainly spoil your fun.

OPERATION DIRTBIKE FREEDOM
Cook's newsletter also featured one of our favorite groups: Operation Dirtbike Freedom. We also have featured it on the Easy Riding page in the Johnson Valley Journal (actually printed, mailing next week, believe it or not).

This High Desert non-profit group took five Marines out for free dirtbike riding earlier this month. "It was a perfect day, no breakdowns, no major crashes. Love seeing the smiles," said founder Ken Colburn. They invite veterans and active military to come out to enjoy outdoor adventure and bring their families if they wish— the group has small bikes for children to ride. Target shooting is also offered, though not on the same day. "It's all free, and we supply the bikes and gear," says Colburn. "Later, we BBQ. We've been doing this since about 2012. We are always looking for new Veterans to join us."

"The evil spirit is here, deception and confusion are here, the right technology is here, apostasy is here, globalism is here, the new world religion is here, BUT the church is also here. And that, ladies and gentlemen, is why the antichrist can't be revealed and, thus, why the tribulation can't begin."

COLLATERAL DAMAGE
Contributed from the Web.

Imagine Florida with a hurricane coming toward Miami. The Governor orders an evacuation. All cars head north. They all need to be charged in Jacksonville. How does that work? Has anyone thought about this? If all cars were electric, and were caught up in a three-hour traffic jam with dead batteries, then what? How do you charge the thousands of cars in the traffic jam? Where is this electricity going to come from? Today's grid barely handles users' needs.

CONGRATULATIONS TO THE LEFT FOR DEFEATING: A CARTOON, A BOX OF BUTTER, AND A SYRUP BOTTLE

The moment you realize 2022 is pronounced "2020 too"

If you get stuck on the road all night, no battery, no heating, no windshield wipers, no radio, no GPS (all these run from the batteries), all you can do is try calling 911 to take women and children to safety. But then they won't be able to come to help you because all roads are blocked, and they're probably running on electric also. What will be done with billions of dead batteries - can't bury them in the soil, can't go to landfills. The cart is way ahead of the horse. No thought whatsoever to handle any of the problems that batteries can cause.

Psalm 139:13-16
English Standard Version

For you formed my inward parts; you knitted me together in my mother's womb. I praise you, for I am fearfully and wonderfully made . . .

Wonderful are your works; my soul knows it very well. My frame was not hidden from you, when I was being made in secret, intricately woven in the depths of the earth. Your eyes saw my unformed substance; in your book were written, every one of them, the days that were formed for me, when as yet there was none of them.
