

# I Simply Cannot Believe It!

I would never have believed any of this could happen in the United States of America, a nation whose foundation consists of God's Natural Law. Our adherence to these natural laws, which include moral law, has brought upon the U.S.A. many, many blessings from God and has brought us to the position of the world's only superpower. The benefit to the world and to our own society is that this leadership has been in the hands of a God-centered people. Despite all of our faults, we have been a beacon of God's light to the world so that people WANT to come here and live freely. Things are changing, fast.

Here are some "inspiring" examples of what we have become and are still becoming.

## Transgenders holding senior positions in the federal (and state?) government.

Can you believe that this creature represents the United States government, seriously??

From The Daily Wire.

USA TODAY announced its "Women of the Year," and one of their choices was the Assistant Secretary of Health and Human Services, Rachel Levine, a biological man.

## Suppression of differing opinions.

The Babylon, a conservative and Christian website, responded like this, and consequently got banned from Twitter.

The Babylon Bee's Man Of The Year Is Rachel Levine

Mark Alexander of The Patriot Post, March 23, summarizes:

"As most people reading this know, The Babylon Bee is a leading humor and satire publication, an outstanding "news" site with a lot of very funny content rooted in a conservative and Christian perspective. We promote the Bee's articles often in our humor headlines section and have supported TBB for years.

The Bee's editors are famous (or infamous in leftist circles) for targeting woke culture, but they found out the hard way this week that when it comes to the chronically gender confused, the Left has no sense of humor. The arbiters of truth at Twitter, who aggressively silence views that don't comport with their leftist orthodoxy, have locked TBB's Twitter page because of an offending post, and they insist the page will remain locked until the Bee's publisher and editor, Seth Dillon and Kyle Mann, respectively, remove the post.

They are refusing to do so, and that has ensured the "offending" post has gotten far more views than it would have otherwise through other forums. But TBB's 1.3 million Twitter followers are finding out that email subscriptions or visiting websites directly are the only ways to guarantee you can bypass Big Tech's "redlining" of free speech."

## Most major institutions and businesses actually cave to the transgender insanity.

This, from Duke University, seriously!

I'm not joking. This is real.

Here's a link to DUKE UNIVERSITY'S website where this can be found.

## Transgenders born male are allowed to compete in female sports!

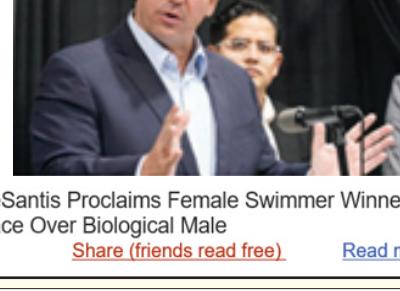

### NCAA "women's" swimming "champion"

FOR OBJECTIVE AND UNCENSORED ANALYSIS: PATRIOTPOST.US

Unbelievably, William Thomas, a mediocre member of the Penn State men's swimming team, decided to change genders and compete as a member of the women's swimming team. Needless to say, he wins easily and thus has successfully stolen competing positions and medals from other women, including Olympic swimmers! Anyone caught calling him "him" and not "her" is subject to abuse and punishment. Maybe the next commentary will be produced from a jail cell. See you when I get out!

Fortunately, Florida governor Ron DeSantis has the guts to stand against the pressure to cave to the woke agenda. Bless his heart!

## Depriving parents of their right and responsibility to raise their children as they see fit.

It's unbelievable that the following is even a subject of discussion or "controversial." No, it's not!

"Florida has enacted a bill that disallows teachers from indoctrinating children in pre-K through 3rd grade with intentional LGBTQ+ lesson plans. It's an anti-grooming bill that seeks to protect the innocence of very young school-aged children. Radical leftists, though, have decided to make this a hill to die on and dubbed it the "Don't Say Gay Bill." (Emmy Griffin, The Patriot Post, 3/22/22)"

But Disney, yes, that Disney that used to be wholesome entertainment in our far distant childhoods, decided that Florida must be forced to allow 5,6,7, and 8 year olds to be taught transgenderism!

"Chapek [Bob Chapek, Disney CEO] recently decided to excoriate Florida's Parental Rights in Education bill (a.k.a. the anti-grooming bill) that the lunatics who call themselves activists have dubbed the "Don't Say Gay" bill. After a meeting earlier this week, Disney brass announced they are also going to go after Texas for a bill that treats parents who allow their children to undergo permanently damaging, irreversible, non-medically necessary "transgender" surgeries as abusers and criminals.

Really?? I still can't believe that parents have to fight for their rights to raise their kids!! That makes this meme (cartoon) so-o-o appropriate, from the Babylon Bee, 3/24/22!

A lie doesn't become truth, wrong doesn't become right, and evil doesn't become good, just because it's accepted by a majority.

"If you ever feel useless, remember it took 20 years, trillions of dollars and 4 US Presidents to replace the Taliban with the Taliban"

Matthew 21:1-13

Now when they drew near to Jerusalem and came to Bethphage, to the Mount of Olives, then Jesus sent two disciples, saying to them, "Go into the village in front of you, and immediately you will find a donkey tied, and a colt with her. Untie them and bring them to me. If anyone says anything to you, you shall say, 'The Lord needs them,' and he will send them at once." This took place to fulfill what was spoken by the prophet, saying,

"Say to the daughter of Zion, 'Behold, your king is coming to you, humble, and mounted on a donkey, on a colt, the foal of a beast of burden.'

The disciples went and did as Jesus had directed them. They brought the donkey and the colt and put on them their cloaks, and he sat on them. Most of the crowd spread their cloaks on the road, and others cut branches from the trees and spread them on the road. And the crowds that went before him and that followed him were shouting, "Hosanna to the Son of David! Blessed is he who comes in the name of the Lord! Hosanna in the highest!" And when he entered Jerusalem, the whole city was stirred up, saying, "Who is this?" And the crowds said, "This is the prophet Jesus, from Nazareth of Galilee."

And Jesus entered the temple[b] and drove out all who sold and bought in the temple, and he overturned the tables of the money-changers and the seats of those who sold pigeons. He said to them, "It is written, 'My house shall be called a house of prayer,' but you make it a den of robbers."

Zechariah 9:9

Rejoice greatly, O daughter of Zion! Shout aloud, O daughter of Jerusalem! Behold, your king is coming to you; righteous and having salvation is he, humble and mounted on a donkey, on a colt, the foal of a donkey.

So we are to believe our government about this, or about anything?

Whew! Can you believe it? Maybe next week we can think more positive thoughts!
