

WARNING

Eternal Life or Eternal Death? YOU CHOOSE!

Our world has become increasingly chaotic and evil. For years we felt relatively safe because our country had a deep respect for GOD and appeared to be secure because of His favor and assistance in our affairs. But we have allowed His enemies to eliminate His influence among us and replace it with destructive evil such as the wide-spread murder of babies, sexual perversion, the abdication of male responsibility and leadership, the disintegration of the family, allowing criminals to murder, steal, destroy, and create chaos, allowing God's enemies to take over our schools, media, the political leadership, Hollywood, much of big business, and many of our churches.

A day of reckoning is approaching. God will not tolerate our rebellion forever. The world has sunk to the level of immorality and rebellion against God as it had in the days of Noah when God wiped out the world with a flood. And when Sodom and Gomorrah sank to a similar level of immorality, God wiped them out with fire. HE has warned us that once again He will destroy the world with fire (nuclear weapons, anyone?) But before that Jesus will return to rescue His people from Earth. Those who are left behind will face unimaginable suffering and persecution.

Until the day Jesus returns, we have the freedom of choice: eternal life with God or eternal destruction with His enemies. This is not a religious scare tactic, but is a sincere effort to encourage you to get right with God **while there is still time**. We buy life insurance in this world as a hedge against future calamity. By ALL means turn to GOD for ETERNAL life assurance!

To obtain GOD'S LIFE ASSURANCE:

(Adapted from the "ABCs of Salvation")

Admit you are living in rebellion against GOD. BEG HIM to forgive you!

Believe that Jesus died in your place to pay the price of YOUR rebellion and that God raised Him from the dead and that He will return to take His people home with Him.

Call on the name of the Lord and **commit** your life to Him, then thank God for forgiving you and ask Him to take control of the rest of your life to carry out whatever missions HE assigns you daily. TRUST HIM to steer your future.
